Public Health Information and Resources

Leicester City **NHS**
Primary Care Trust

What do we do?

We offer information services to help and support you in your work within the City of Leicester. Whether you work in health, education, prison, business, the voluntary sector or local government, we can help.

How can we help?

We can support you in the following ways:

Enquiries

We can help you find sources of information and resources to support your work, for example by signposting you to leaflets, posters, organisations, web sites.

You can access this service by:

Placing an enquiry via www.phleicester.org.uk

By phoning us on: (0116) 295 3397

Faxing us on : 0116 295 3399

By emailing phir@leicestercitypct.nhs.uk

Or by visiting in person – Please ring ahead of your visit to ensure staff are available.

Local online resources

Our website is a source of local information and we encourage you to visit it regularly. We also signpost you to other key documents and sources.

Resources for loan

We hold a small collection of videos, CDs, poster packs and models which are available to loan.

Leaflets

We have leaflets on a range of subjects e.g. Alcohol, Drugs, Healthy Eating, Immunisation, Sexual Health, Contraception, Sexually Transmitted Infections and Smoking.

You can order leaflets by:

- going online at www.phleicester.org.uk
- phoning us on (0116) 295 4170
- emailing us at phir@leicestercitypct.nhs.uk

We can deliver to certain NHS premises and can suggest alternative arrangements for non-NHS staff.

Please allow 5 to 7 working days for orders to be processed.
